ABOUT ME

I am a UX/ UI Designer with a background in fine arts and customer service. I my designs are user-centric with a focus on design principles. I enjoying working not only on my own but also with a group. I am passionate about details and to continue to grow as a designer. In my free time, I enjoy reading, spending time with my family, anything art related, and watching and discussing F1.

WORK EXPERIENCE

● March 2023 - Current	UX/UI Design Intern Hephium	Collaborating with fellow UX/UI Designers on creating an app that works with API. Creating on boarding and a clean modern design. Working on user flows, competitive analysis, low, mid, and high fidelity wireframes.
● Jan - Nov 2022	◆ Botnay Online Shopping App	UX/UI Design Projects App helps users find common to rare house plants. Completed competitive analysis, created wireframes, and completed user testing. Finalized wireframes. Problem solved ways for users to save items for later and edit the shopping cart.
● Forkify Online Recipe App	◆	UX Process competitive analysis, user interviews, user stories, user personas, flow charts, mood board and low, mid wireframes. UI process of high wireframes, user prototype analysis and finalized wireframes.
● My HealthPal Medical Tracker	◆	App helps user keep track of medicine and medical appointments, along with following other users. Created a mood board, style guide, and low, mid, and high wireframes. Completed an Android and IOs version of the app.
● 2016 - July 2017	Perimeter Early Learning Center	Classroom Teacher Set a learning and play schedule for the classroom which included daily art projects. Learned to manage up to 18 kids at a time and follow state regulations for the classroom.
● 2016 - August 2016	Valdosta Rental Properties	Leasing Officer Help maintain a strong relationship with owners and tenants. Daily screened applicants, completed lease contracts and worked with property managers and tenants.
● 2014 - November 2015	Enterprise Rent-A-Car	Management Trainee Customer-facing position responsible for overall customer service contributing to sales, marketing, operations, finances, and training. Offered exceptional service using creative problem-solving skills and solutions.
● 2013 - August 2014	Kenny G & Co. Fine Jewelers	Customer Service Associate Provided customer service, collecting payments, scheduling repairs and processing inventory. Responsible balancing drawer and account books. and depositing cash daily.
